NABR NETWORK WELCOMES NEW CLIENT: CALIFORNIA-BASED TAMARIND MANAGEMENT TEAM, INC.

Lewisville, Texas (February 21, 2019) –Nabr Network, the leading mobile and web communication system built specifically for community management companies and their associations, announced today Tamarind Management Team has selected Nabr Network as the official communication tool of their association management business.

Tamarind will use Nabr Network’s website and mobile application to improve communication in the communities they manage.

“We recently switched to Nabr Network for our Homeowner/Resident communication and document sharing needs. We are very happy with the ease of use and the fabulous customer support. We love our dedicated client services specialist, who is responsive and helpful. We also appreciate the new enhancements and features of Nabr Network that help create even more efficiencies for us,” said Tamarind Management Team President Tamara Glover.

“At Nabr Network, we are committed to providing our customers with unsurpassed customer support at every level. Tamarind is a dynamic company and we look forward to supporting their communications efforts. We are proud to be a part of Tamarind’s growth,” remarked Nabr Network President James Garner.

Nabr Network is the industry’s most comprehensive [private communication](#) platform and web presence– specifically developed for community associations. Nabr Network goes beyond traditional websites and email blasts to deliver time-sensitive alerts, reminders and event notifications on the devices that residents prefer to use. Nabr Network’s one-touch communication platform provides management companies and associations the ability to push news through mobile app, text, email, [Community Feed](#) and automated web updates. Nabr Network’s [integrations](#) with leading industry accounting software companies allow homeowners seamless account access with a single login to their Nabr Network application.
