NABR NETWORK WELCOMES NEW CLIENT: TEXAS-BASED NEIGHBORHOOD MANAGEMENT, INC. (NMI)

Lewisville, Texas (May 15, 2019) –Nabr Network, the leading mobile and web communication system built specifically for community management companies and their associations, announced today that Neighborhood Management, Inc. has selected Nabr Network as the official communication tool of their association management business.

NMI is using Nabr Network's website and mobile application to improve communication in the communities they manage.

"Neighborhood Management, Inc. (NMI) is proudly partnering with Nabr Network to provide our communities with the most innovative communication tool for informative and social networking within their own neighborhoods. NMI was greatly impressed with Nabr Network's ability to create a customized downloadable mobile app that provides our residents greater ease and accessibility to information on their individual owner accounts (account balances, compliance notices, online payment options) and community documents and updates. Through this innovative technology, our community residents are staying more connected and better informed, and our Community Managers are enjoying the flexibility and convenience to communicate Association news," said NMI President Beverly Coghlan, CMCA, AMS, PCAM.

"Helping residents be better informed of Association business and fostering community engagement is a big part of our mission at Nabr Network. We're proud to partner with NMI to bring proactive communication to the communities they manage," remarked Nabr Network President James Garner.

Nabr Network is the industry's most comprehensive private communication platform and web presence– specifically developed for community associations. Nabr Network goes beyond traditional websites and email blasts to deliver time-sensitive alerts, reminders and event notifications on the devices that residents prefer to use. Nabr Network's one-touch communication platform provides management companies and associations the ability to push news through mobile app, text, email, Community Feed and automated web updates. Nabr Network's integrations with leading industry accounting software companies allow homeowners seamless account access with a single login to their Nabr Network application.
