ARIZONA-BASED TRI-CITY PROPERTY MANAGEMENT SERVICES, INC SELECTS NABR NETWORK AS COMMUNICATIONS PARTNER

Lewisville, Texas (May 8, 2019) –Nabr Network, the leading mobile and web communication system built specifically for community management companies and their associations, announced today that Tri-City Property Management Services, Inc has selected Nabr Network as the official communication tool of their association management business.

Tri-City is using Nabr Network’s website and mobile application to improve communication in the communities they manage.

“Transitioning our community websites to Nabr Network was so easy and our client engagement has improved significantly,” said Jean-Marie Bellington, CAAM, AMS, CMCA, President, Tri-City Property Management Services, Inc.

“Tri-City’s dedication to client service, along with their focus on professionalism and leadership are right in line with Nabr Network’s values. We are proud to be working with this remarkable company as we help them bring the technology that residents expect into their communities,” stated Nabr Network President James Garner.

Nabr Network is the industry’s most comprehensive [private communication](#) platform and web presence– specifically developed for community associations. Nabr Network goes beyond traditional websites and email blasts to deliver time-sensitive alerts, reminders and event notifications on the devices that residents prefer to use. Nabr Network’s one-touch communication platform provides management companies and associations the ability to push news through mobile app, text, email, [Community Feed](#) and automated web updates. Nabr Network’s [integrations](#) with leading industry accounting software companies allow homeowners seamless account access with a single login to their Nabr Network application.
