JAMES GARNER NAMED PRESIDENT OF NABR NETWORK

Lewisville, Texas (May 29, 2018) –Nabr Network, the leading mobile and web communication system built specifically for community management companies and their associations, announced today that James Garner has been named President of Nabr Network.

Prior to his role as President, Garner served as Vice President of Business Development. Garner will continue to oversee all business development functions.

“James is a day one employee who has helped build Nabr Network where it is today,” remarked Nabr Network CEO Jeff Miles. “James’ unique client relationship skills and team management talent provides a perfect fit to run the day-day operations of our company.”

Garner is an accomplished top performing sales and sales management executive with national and International account experience driving revenue growth within highly competitive markets. A natural communicator and team leader with proven motivational skills, Garner brings expertise in organizational leadership, direct sales, sales training/development and customer relationship management to Nabr Network. Garner has over 25 years of experience in capturing the benefit and energy of technology to enhance effective communication strategies and optimize operational efficiency.

“I look forward to working with the Nabr Network team in this new capacity and continuing the high level of service we have come to be recognized for,” Garner said. “Communication remains a challenge in the community association management industry, and Nabr Network equips management professionals to meet this challenge head on.”

Nabr Network is the industry’s most comprehensive [private communication](#) platform and web presence– specifically developed for community associations. Nabr Network goes beyond traditional websites and email blasts to deliver time-sensitive alerts, reminders and event notifications on the devices that residents prefer to use. Nabr Network’s one-touch communication platform provides management companies and associations the ability to push news through mobile app, text, email, [Community Feed](#) and automated web updates. Nabr Network’s [integrations](#) with leading industry accounting software companies allow homeowners seamless account access with a single login to their Nabr Network application.
