## NABR NETWORK ANNOUNCES PARTNERSHIP WITH COMMUNITY ASSOCIATION MANAGEMENT SYSTEMS, INC. (CAMS) TO LAUNCH AND DEVELOP BRANDED COMMUNICATION APPLICATION

Lewisville, Texas (April 27, 2018) –Nabr Network, the leading mobile and web communication system built specifically for community management companies and their associations, announced that CAMS has joined their growing client list. Nabr Network is providing CAMS and the communities they manage with a branded mobile app and web presence: CAM Link

The branded application is improving communication in the communities managed by CAMS.

“We contracted with Nabr because we felt this site definitely appeals to the average person because the layout is so simple but very effective. It is a clean site with a flawless look, and someone without any technical background would definitely appreciate it. The layout makes anyone feel comfortable because it is so well done and clean looking. The pricing structure also could not be beat by competitors,” said Lisa De Barros, director of administration at CAMS.

“Your dedicated client services specialist made the set-up process for the sites so easy. She did such a great job. She is still helping us out to this day. I can't say enough for all the help she has provided. Nabr Network's support team is also beyond awesome. It is a breath of fresh air to know we are dealing with a support team that responds so quickly and is constantly sending updates on progress. We are so glad we found Nabr!”

“CAMS has a great history of providing a high level of service to their customers. At Nabr Network, we also value delivering great customer support. We are proud to partner with CAMS and support their mission to provide excellent customer experiences,” remarked James Garner, vice president of business development at Nabr Network.

Nabr Network is the industry's most comprehensive [private communication](#) platform and web presence-- specifically developed for community associations. Nabr Network goes beyond traditional websites and email blasts to deliver time-sensitive alerts, reminders and event notifications on the devices that residents prefer to use. Nabr Network's one-touch communication platform provides management companies and associations the ability to [push news](#) through mobile app, text, email, Community Feed and automated web updates. Nabr Network's [integrations](#) with leading industry accounting software companies allow homeowners seamless account access with a single login to their Nabr Network application.

CAMS Link is operated and supported by Nabr Network and the Nabr Network software platform.
