PPM, INC. (PROFESSIONAL PROPERTY MANAGEMENT) SELECTS NABR NETWORK TO DEVELOP AND LAUNCH BRANDED COMMUNICATION APPLICATION FOR USE IN COMMUNITY ASSOCIATIONS

PPM's mobile and web application, PPM NABR, provides the company a competitive advantage

Lewisville, Texas (July 17, 2017) –Nabr Network, the leading mobile and web communication system built specifically for community management companies and their associations, announced the development of the branded PPM NABR application. PPM NABR is offered to PPM's portfolio of clients.

Raleigh-based PPM is using PPM NABR to set themselves apart in the growing community association management industry.

"PPM is excited to be partnering with Nabr Network to offer a communication platform unlike anything else in the North Carolina market. We feel confident that this partnership is going to keep our company at the top of our industry and ahead of our competitors when it comes to customer care and efficient operations," stated PPM's Managing Partner Brooke Hoff.

"Communication is one of the top issues facing community association management professionals. It's a strategic move for PPM to market their PPM NABR application. Showing that they take communication seriously speaks volumes to potential clients," remarked James Garner, vice president of business development at Nabr Network.

Nabr Network is the industry's most comprehensive [private communication](#) platform and web presence-- specifically developed for community associations. Nabr Network goes beyond traditional HOA websites and email blasts to deliver time-sensitive alerts, reminders and event notifications across multiple devices. Nabr Network's one-touch communication platform provides management companies and associations the ability to [push news](#) through mobile app, text, email, Community Feed and automated web updates. Nabr Network's [integrations](#) with leading industry accounting software companies allow homeowners seamless account access with a single login to their Nabr Network application.

PPM NABR is operated and supported by Nabr Network and the Nabr Network software platform.
