

# NEWS RELEASE

Lewisville, Texas (March 2, 2020)

## American Management of Virginia, Inc. partners with Nabr Network to boost communication in the communities they manage

American Management of Virginia, Inc.'s team of community association managers can easily inform and engage residents with Nabr Network's web and mobile platform.

American Management of Virginia, Inc.'s mobile app AMV Connect is improving community association communication and engagement. Nabr Network provides the technology, support, and services needed to operate AMV Connect.

AMV Connect offers residents access to association content on their favorite devices. Convenient email and mobile notifications deliver news to residents, keeping them informed. We are proud to support American Management of Virginia, Inc.'s managers and clients with our effective and efficient communications software.

### About American Management of Virginia, Inc

American Management of Virginia, Inc. is a leading provider of community management services throughout Northern Virginia specializing in a wide array of community management solutions. Visit American Management of Virginia, Inc. online at [amvirginia.com](http://amvirginia.com).

### About Nabr Network

Nabr Network is a comprehensive communication software system built for community association management companies and HOAs, condominium and other like common ownership community associations. Nabr Network's web and mobile platform is used by community associations and management companies across the country. Just as important as great technology, Nabr Network provides unmatched customer support to management professionals, HOA boards, committees, and residents. Additional information is available at [nabrnetwork.net](http://nabrnetwork.net).
