

NEWS RELEASE

Lewisville, Texas (September 2, 2020)

Premier Community Management, Inc. (Premier) uses Nabr Network to strengthen communication in Arizona HOAs

Nabr Network's Manager Dashboard gives Premier's team of community association managers the power to quickly and easily inform and engage residents in all the HOAs they manage.

Premier's mobile app Premier Connect is improving community association communication and engagement. Nabr Network provides the technology, support, and services needed to operate Premier Connect.

Premier Connect offers residents access to association content on their favorite devices. Convenient email and mobile notifications deliver news to residents, keeping them informed. We are proud to support Premier's managers and clients with our effective and efficient communications software.

About Premier Community Management, Inc.

Premier Community Management, Inc. is full-service homeowners association (HOA) management company specializing in planned community associations. Premier currently provides services to over 27,000 homes and manages HOA throughout Central Arizona. Visit Premier online at premieraz.nabrnetwork.com.

About Nabr Network

Nabr Network is a comprehensive communication software system built for community association management companies and HOAs, condominium and other like common ownership community associations. Nabr Network's web and mobile platform is used by community associations and management companies across the country. Just as important as great technology, Nabr Network provides unmatched customer support to management professionals, HOA boards, committees, and residents. Additional information is available at nabrnetwork.net.
