

NEWS RELEASE

Lewisville, Texas (June 15, 2020)

Taylor Management Company teams up with Nabr Network to provide residents with convenient HOA websites and a powerful mobile app

Taylor's team of community association managers use Nabr Network's web and mobile platform to improve communication in the HOAs they manage.

Taylor Management Company's mobile app TaylorNow is improving community association communication and engagement. Nabr Network provides the technology, support, and services needed to operate TaylorNow.

TaylorNow offers residents access to association content on their favorite devices. Convenient email and mobile notifications deliver news to residents, keeping them informed. We are proud to support Taylor Management Company's managers and clients with our effective and efficient communications software.

About Taylor Management Company

Taylor Management Company provides residential management services to condominium and Homeowner Associations throughout New York and New Jersey. Taylor Management Company is accredited by the Community Association Institute as an AAMC, Accredited Association Management Company and by the Institute of Real Estate Management, as an AMO, Accredited Management Organization, which recognizes the highest level of ethics and professional management services. Visit Taylor online at taylormgt.com.

About Nabr Network

Nabr Network is a comprehensive communication software system built for community association management companies and HOAs, condominium and other like common ownership community associations. Nabr Network's web and mobile platform is used by community associations and management companies across the country. Just as important as great technology, Nabr Network provides unmatched customer support to management professionals, HOA boards, committees, and residents. Additional information is available at nabrnetwork.net.
