

NEWS RELEASE

Lewisville, Texas (December 21, 2019)

VCM, Inc. partners with Nabr Network to offer an innovative mobile app and HOA websites to the communities they manage

VCM, Inc.'s team of community association managers easily communicate with residents in all the HOAs they manage using Nabr Network's intuitive Community Manager Dashboard.

VCM, Inc.'s mobile app VCM Bridge is improving community association communication and engagement. Nabr Network provides the technology, support, and services needed to operate VCM Bridge.

VCM Bridge offers residents access to association content on their favorite devices. Convenient email and mobile notifications deliver news to residents, keeping them informed. We are proud to support VCM, Inc.'s managers and clients with our effective and efficient communications software.

About Vision Communities Management, Inc. (VCM, Inc.)

VCM, Inc. is dedicated to partnering with homeowners and board members to create an individualized community vision through friendly interactions, consistent covenant enforcement and prompt problem resolution by exhibiting their in-depth industry knowledge and emphasis on quality. Visit VCM, Inc. online at vcmtexas.com.

About Nabr Network

Nabr Network is a comprehensive communication software system built for community association management companies and HOAs, condominium and other like common ownership community associations. Nabr Network's web and mobile platform is used by community associations and management companies across the country. Just as important as great technology, Nabr Network provides unmatched customer support to management professionals, HOA boards, committees, and residents. Additional information is available at nabrnetwork.net.
