

NEWS RELEASE

Lewisville, Texas (September 14, 2021)

National Realty Partners works with Nabr Network to provide HOA websites and a convenient mobile app to their clients

National Realty Partners (NRP) uses Nabr Network's web and mobile platform to improve the resident experience in the communities they manage. By integrating Nabr Network with their accounting software, NRP offers homeowners seamless access to their personal account information with a single login to their Nabr Network account. This empowers residents with self-service tools and saves managers time.

The Nabr Network mobile app offers residents access to association content, including HOA documents and online forms, on their favorite devices. Convenient email and mobile notifications deliver news to residents, keeping them informed of community announcements and events.

We are proud to support NRP's community association managers and the communities they serve with our effective and efficient communications software.

About National Realty Partners LLC

National Realty Partners (NRP) is a property management company specializing in the management of Common Interest Communities (CIC) and commercial properties. NRP's industry professionals share a common goal; deliver service excellence for both Association board members and commercial property owners and enhance asset value over time.
